**WPL is open -- with precautions for everyone's safety.
Welcome back and thank you for reading!**

Director's Note: An Update From Pam

This last month has been a flurry of activity in preparation for reopening: cleaning, disinfecting, covering furniture and writing policies that will keep everyone safe. We miss our patrons! On Tuesday, June 2 you will find the door unlocked and the staff ready to welcome you. We hope you can look past the sign listing the new rules and see the smiles on our faces (behind our masks). We look forward to seeing you and we are grateful for your support.

We began curbside delivery at the end of May and this new service is running smoothly. We are delighted to be able to deliver materials to the patrons. Reminder to everyone: if you are not comfortable coming inside WPL or you cannot wear a face covering, we are here to gather your books, movies and CDs to deliver to you at the door or your vehicle. Simply call 207-882-7161 or email wpl@wiscasset.lib.me.us and leave a list of up to 5 items. We will get them off the shelf and checked out to you. When that is complete **we will call and let you know that your items are ready for pick-up**. Please do not come to the Library until we have contacted you. You can call us from your car or knock on the door to let us know when you have arrived. Yes, you can return your older items to us when we deliver to you.

Please note that, due to extensive cleaning requirements, we are **opening at 11:00am** for the time being. We are going through some interesting experiences as we learn how to rework our jobs to make this reopening happen. You, our understanding and supportive patrons, make this easier and ultimately worthwhile. Thank you.

Pam Dunning, Director

WPL reopens Tuesday, June 2 at 11:00am

Recognizing the importance of our library in the community and the need to keep the public safe, Wiscasset Public Library has narrowed its focus to the priority service that it can accomplish without endangering visitors. Our focus at this time is to circulate the collection and to offer internet access to the public. To accomplish these goals, WPL welcomes patrons back under new regulations. These requirements are similar to the rules we have all been following for the last several weeks as we visited essential services like grocery stores:

Reopening Rules

- 10 patrons allowed in building at a time
- Face covering is required to be worn in the building (bring your own)
- Curbside delivery is available for those who can't wear a facial covering
- Use hand sanitizer immediately upon entering the building, even if you are wearing gloves
- Patrons must be symptom free of any illness for the last two weeks.
- 30-minute time limit
- Place items that you touched and aren't checking out on one of the tables, so they can be added to the quarantine cart. **Do not return items to shelves.**
- No public bathrooms
- No meetings
- The Used Book Room is closed until further notice
- Patrons who are non-compliant will be asked to leave the building

The Library is committed to keeping everyone safe and to maintaining a safe environment that will allow us to stay open. **We can do this together!**

Meet WPL's New Librarian

Please welcome our new Librarian, **Stephan Smith**.

Stephan's appreciation for the valuable perspectives offered through getting to know other cultures comes from a long history of living, studying, and working with those from various backgrounds, both internationally and in the United States. With over twenty years of experience preparing students for admission to elite colleges and universities, Stephan has demonstrated a passion for sharing his understanding of language and historical studies and views multilingualism and knowledge of history and cultures as a means of building peace amongst peoples of different nations and backgrounds.

Upon completing secondary school in England, Stephan returned to the United States to complete his bachelor's degree at California State University in San Diego and a master's degree in Education from Northeastern University in Boston. Whilst pursuing graduate study, his commitment to outstanding academic scholarship was recognized through his induction into the prestigious Sigma Epsilon Rho Honor Society. Following graduate study, Stephan returned to England to further pursue his passion for cultural and historical studies by earning a qualification in History from the University of Oxford, Department of Continuing Education. We are delighted to have Stephan join the WPL staff and share his wealth of knowledge with the Wiscasset community.
